

Volunteering at Papworth Hospital

Can you make a  
difference?

Yes you can!

## **How can you help?**

### **Can you commit a few hours a or a day a week to help?**

*We have opportunities in the following areas:*

- Gift shop
- 'Mobile' gift shop trolley service around the wards
- Greeter desk - helping patients and visitors
- Assisting in the day ward
- Ward visiting
- Helping in other ward areas
- Assisting with general administrative tasks

In the first instance, you may like to come along and shadow one of our current volunteers to see if you would enjoy joining our group of dedicated volunteers.

### **Become a member of our Patient Experience Panel to:**

- Share your own experiences
- Attend quarterly meetings at the hospital
- Work effectively with other people
- Contribute to hospital working groups

At Papworth Hospital we already involve people who use our services to help plan for the future. However, we are continually working to improve and develop the ways in which we consult with people to enable them to express their views.

As a member of our Patient Experience Panel, you will ultimately contribute to the future of the NHS, in particular Papworth Hospital NHS Foundation Trust.
